In recognition of
Mrs. Laura Adcock
for her devotion to the students and
staff
of
Clinton High School

Mrs. Adcock has been actively involved in many community organizations and projects over the years. For the past seven years she has served on the District 15 Board of Education. During the 1979-80 school year Mrs. Adcock served as president. She has given considerable time and effort to the District. Mrs. Adcock, currently approaching the end of her second term, continues to be a very conscientious and well-informed Board Member who is sensitive to the needs of the district and community.

When a problem arises, Mrs. Adcock works to find a solution; no problem is too small. She is willing to listen to the concerns of students, parents, and teachers alike; but what is best for the students is always uppermost in her mind. She never loses sight of this.

Mrs. Adcock is a valued public servant and a true friend of public education. Students, parents, staff, and the community have all greatly benefited from her unselfish service.

Apple 'n Pork long way

Members of the Homestead Board were sitting around a table drinking a cup of coffee in the fall of '69, trying to find ways to raise money for the restoration of the new museum. Several suggestions were mentioned, one involved a theme of apples and pork; and that is how it all started.

The first Apple 'n Pork Festival was held on September 2, 1969. The members had expected around 50 people and ended up serving 1,000. They were prepared with only three hams, one kettle of apple butter, and 50 gallons of vegetable soup. They solved their problem by getting grocery store owners to open shops and by doing a lot of fast work. The attendance has grown from the 1,000 people in 1969, to over 50,000 in 1982.

sell their merchandise at the flea market. The flea market started 10 years ago with three booths on the front yard of the Homestead. Since then it has grown to 129 spaces, available on a "first come, first served" basis. Even with 129 spaces, dozens of dealers are turned away because of space. Antiques, collectables, furniture, primitives, paintings, handicrafts, Indian jewelry, belt buckles, Western hats, straw flowers, ceramics, rocks and gems, and even Maine lobsters can be found at the various booths.

The Apple 'n Pork Festival presents an irresistible allure to food lovers. Ham and beans, cornbread, apple butter, smoked ham sandwiches, apple fritters, funnel cakes, and river rat potatoes are only a few of the mouth-watering delicacies that tempt the Apple 'n Pork Festival visitor.

Upper left: Our forefathers never had it this good. Right, Center, and Lower: Dealers sell their wares to the Festival visitors.

Teachers age gracefully

Recognize any of the people shown on these pages? These clean-shaven, fuzzy-cheeked individuals were photographed only four short years ago when the members of the class of '83 were but mere freshmen. Contrast the two different groups of photos. In the first, no tell-tale age lines or crows feet can be spotted, but in the photos below our staff is visibly aged and emotionally spent. Life in the fast lane will do it every time. Also note the change in personal appearance. The faculty's tastes have evolved from crew-cuts, hair tonic, and black ties to daring, open-necked shirts, casual dinner jackets, and unclipped hair. (Actually, the formal portraits which can be viewed at the top of both pages were taken sixteen years ago when the seniors were two years old. Therefore, the class of '83 cannot be blamed entirely for the aging of the teaching staff.)

Clinton undergoes numerous changes

Towns, like people, change with the winds of time. Clinton, Illinois, has seen its fair share of construction and destruction over the past four years. Recession has been the cause of failure for many local businesses. Many are the anguished customers who will never again travel the isles of Kroger's, the Gaslight Square, Houchin's, the Milk House, and many other now-deceased stores too numerous to mention. The stores which were forced to close down have been replaced quickly with new places of business. The generic Dairy Queen replaced the original Dairy Queen. A Wal-Mart mall was in-

stalled in front of the high school. The power plant which looms on the eastern farming communities of DeWitt County has been a great boon in providing jobs for the residents of Clinton. Hundreds of rumors circulated throughout the years about the possibility of our courthouse being destroyed so a parking lot could replace its space on the square. Clinton lost one of its more fashionable restaurants when the R and R burned to the ground. Change, as unavoidable as it is, is a reality of life which even the Mid-western community of Clinton, Illinois, has to accept.

We've come
a long way
since . . .

- Cheap thrills were obtained by viewing lewd girlie mags.
- Greg and Lora Mandrell didn't look alike.
- Ted Rhodes was the only member of the class of '83 over five feet tall.
- Hawaiian leis and camel hair wigs were the things to wear at parties.
- Brooms served as dancing partners.
- Von Bandy and David Wrone had an innocent air about them.
- The Billingsleys wore crew cuts.
- Birthdays were celebrated by eating cake.

Senior class selects favorites

Most Likely to Succeed: Sheeba Short and Steve Wrone prepare for the jump into life.

Most Talented: Thespians Joe Williams and Heidi Dorow were deemed the most talented.

Most Athletic: Sue Osthus and Steve Perring struggle in their battle for physical superiority.

Done Most for CCHS: Tina Dorow and Vic Bandy prepare to perform another good deed for the school.

Best Looking: These two angelic-looking creatures are David Johnson and Jeannie Rickgauer.

Class Comedians: David Wrone and Janelle Sams.

Class Rowdies: Blaze Brommel and Sheryl Clark seem destined to rowdy themselves straight to jail.

Seniors

Michael Spencer takes command of the situation.

John Wilson wisely examines his tea for signs of life.

Mike Lane is a determined disciple of Mr. Austin's push-up program.

in action

Steve Wrone disguises his pre-speech anxiety with a flashing smile.

Joe Daugherty is all concentration as he performs surgery on Miss Piggy.

Blair Brommel is in a state of shock after attending English Lit.

As evidenced by these photos, the senior class of 1983 consisted of a varying group of individuals. Though not dangerous by any means, the seniors were definitely a group which could be classified as unusual. Speeding tickets seemed to be a big favorite of the seniors, through not by their own choice. Campouts were also popular. Attendance was large at these gatherings, which were filled with bottle-rocket wars, mud-bathing, scuba-diving, and the consumption of half-raw pork chops. The Green Tomato Worm Club was founded, and the roster of members swelled to nearly a hundred. The graduating class of 1983 will undoubtedly attain success and fame in life. The imprint they have left on the school will not soon be forgotten.

Best Personality: Chad Hoke and Kris Boesdorfer spray their charm throughout the town.

Mr. and Mrs. Senior: Rhonda White and Randy Workman.

The process of electing and photographing senior favorites for the *Clintonia* has been a tradition for years. The students are given the democratic benefits of our society, and all seniors had a chance to cast a ballot. The votes were then tallied by the editor of the *Clintonia*, and the winners were notified of their honors. For the first time the senior favorites were posed at Clinton Lake. Mr. Patrick Henry bore the responsibility of chaperoning the twenty students and the photographer out to the lake in a school bus. The day chosen for the photo session broke crystal clear and ten degrees above zero, accounting for the large number of red noses present in the pictures.

Best Dressed: Marcus Dunlap and Tina Roseman.

In the morning, the pond

In the morning, the pond
Eyes my ascent over the rusted fence
Guarded by an electric strand
and white-faced Herefords.

Descending waterward,
I note
A half-breed calf
Contemplating my invasion
Of his drinking trough,
His fields of ticks, and fleas, and flies,
And pies.

In this wordless world, I know
He questions my intrusion,
But what care I
As my plug violates
The mirrored surface
Into splinters like glass.

As suspicious brown eyes
Peer over a white nose
And dew-wet grass,
A mother calls,
Leaving me
And the water-dripping Swifts
To make occasional rings
In the morning-silent pond.

North Central evaluates C.H.S.

Mr. Perkins has been with Clinton High School for six years, the last four as principal. He and his wife Judy are the parents of Jodi, Jan, and Julie. Judy is studying nursing at Mennonite Hospital in Bloomington. Mr. Perkins enjoys jogging, playing golf, and officiating at high school football games in the Big Twelve Conference.

The 1982-83 school year was Ed Byrd's second season with Clinton High School. He serves as Administrative Assistant, Athletic Director, and head basketball coach. He and his wife Janet are the parents of Jenny, Amy, and Jeff. Mr. Byrd enjoys hunting and basketball.

The 1982-83 school year brought the North Central Evaluation Team to the school. The team consisted of twelve teachers and four administrators from across the state. This process takes place once every five years. The evaluators point out the strengths and weaknesses of the school to the administration.

The team was impressed with the administration, the teaching staff, and the student body. Members also liked the sound financial condition, the well-balanced academic program, the excellent climate, and the student/teacher ratio.

Recommendations made are as follows: 1.) improve the ventilation system. 2.) Correct the noise problem in areas between Home Ec. and Industrial Arts. 3.) Develop formalized procedures for planning in-service activities. 4.) Involve all departments in the use of computers. 5.) Strengthen public relations between the school and community and among the departments within the school.

Henry resigns

After spending eleven years at CHS, Mr. Henry accepted a position as principal at Roaring Fork High School in Carbondale, Colorado. He served as part-time math teacher for five years, and Assistant Principal for four years. He is very proud of his wife Joanne and children Greg and Allison. He enjoys photography and playing poker.

Organizations

Induction into National Honor Society is one of the greatest honors a high school student can receive. In order to be eligible, a student must have a "B" average. A student may first be eligible for Clinton's Charles Evans Chapter the second semester of his junior year. Each eligible person is rated on scholarship, service, leadership, and character. These qualities are ranked by the faculty, and the students obtaining the most points are inducted. Activities of the 82-83 group include visiting the Crestview Nursing Home and holding a spring carnival.

NHS officers are Karen Ely, secretary; Tina Dorow, parliamentarian; Mrs. Rinkenberger, sponsor; Cheryl Short, president; and Chad Hoke, vice president.

D. O. Banquet honors 30

The D.O. classes had a little trouble getting started but in the end had a very successful year. Students were involved in several moneymaking activities. These activities led to the D.O. Banquet on April 26, and a spring picnic on May 19, at Weldon Springs. The Banquet honored 30 students' employers with a chicken deluxe dinner. The food service class prepared and served the meal.

Sponsored by Mr. Coon, the 1982-83 Student Council bore the weight of many unacknowledged responsibilities. All of the Homecoming festivities were planned and carried out by the council, as were most of the dances. All of the carbonated beverage machines were financed by the council with the profits (what little there were) being confiscated for various expenses such as paying off the winner of the float competition. Though the Student Council is often thought of as a worthless organization, this group does perform many functions which would otherwise go neglected.

Thespians experience busy year

A multitude of activities consumed the 1982-83 school year for the Clinton Chapter of the International Thespians. A talent show was sponsored by the group in early fall, and a fifty dollar first place prize was awarded to Dee Ann Taylor for her rendition of "Cat Scratch Fever."

Stud Terkel's play *Working* was performed by the Thespians in late fall, and the four-month venture transpired into a highly successful endeavor. The cast of *Working* was selected by a panel of judges to present its production at the State Drama Festival in January.

"Drama and Doughnuts" was organized by the Thespians in March. Five student-directed, one-act plays were performed at the informal gathering in front of a modest crowd.

The Thespians chose Philip Lewis' play *The American Dame* as their spring project. *Dame* also opened to a slim audience.

Staff pools creative talents

The 1982-1983 *Clintonia* staff consisted of thirteen students, who pooled their creative talents to make the yearbook a success. The theme of the book, "We've come a long way," was co-created by the editor David Wrone and the *Clintonia*'s adviser, Mrs. Wunderlich. Many changes and improvements were devised to make the year back a unique edition. For the first time in years, the Homecoming festivities were moved to the back of the book, and the senior favorites were printed in color. Other additions to the 1983 yearbook include the folio identifications, the senior legacy, the recognition page, and the colophon.

Yearbook Staff: Front row: Sarah Koons, David Rhodes, and Matt Hayes. Row 2: Bob Adcock, Dan Ritchie, David Wrone, Debbie Dolly, Lora Mandrell, Alan Billingsly, Teresa Azbill, Traci Golden, Kathy Johnson, Mrs. Wunderlich and Lisa Mitchell.

Members of the staff are as follows: Traci Allen, Bonnie Chapman, Dan Ritchie, Keri Cummings, and John Burkholder.

Stevi Boyum and Lora Mandrell were also on the Excalibur staff.

Staff meets deadlines

The *Excalibur* staff consisted of six journalists for the most part as Lora Mandrell joined the staff second semester, but Traci Allen moved shortly after that.

These people spent many Saturday mornings at the Clinton Daily Journal and Public doing the necessary things it takes to put out a newspaper.

Although the staff was able to meet eight of the nine deadlines, it was by no means an easy task, as some often waited until the last day to start writing. Issue number six was canceled due to bad weather.

Members were able to choose the types of beats they would report on. The main beats were Bonnie, FFA; Stevi, FHA; Keri, girls athletics; John, Thespians; Lora, features; Traci, NHS; and Dan, men's sports.

Traci Allen, business manager; Dan Ritchie, editor-in-chief; and Mrs. Wunderlich, adviser.

FFA members meet Reagan

Clinton FFA placed as one of the top four chapters in the U.S. in the President's Energy Challenge. Mark Haas, Rodney Hunt, Jim McCubbins, Mr. Adams, and Mr. Prather went to Washington D.C., where they visited the White House and saw President Reagan. The chapter was also recognized at the National FFA Convention in Kansas City with a slide presentation and a ceremony on stage (See photo at center). This was the first year the Chapter received a national Gold Emblem rating for all chapter activities. This award was also received at the National Convention. FFA officers elected for the year include: (see photo top) Front row: Brad Willard, reporter; Jim McCubbins, parliamentarian; Mr. Prather, adviser; Wanda Hunt, secretary; and Rodney Hunt, president. Row 2: Mr. Adams, adviser; Darren Barnhill, treasurer; John Strange, vice-president; and Mr. Wiggers, student teacher.

FHA increases membership

FHA officers: Connie Pister, president; Kris Boesdorfer, vice president; Sheryl Clark, treasurer; Karen Ely, secretary; and Julie Pratt, historian.

The Future Homemakers of America, for both guys and gals, has done many things for the school and the community. For the past three years the club has had a canned food drive around Christmas for needy families in Clinton. They have also had a Rock-a-thon for the past three years. They attended several out-of-town meetings and workshops, and certain members of the club attend the Illinois FHA Convention in the spring. This year they co-sponsored a western dance with FFA. The club's enrollment is 32, up from last year. Mrs. Rhonda Baum of the Home Economics Dept. is the sponsor.

In recent years the Lettermen's Club only met to get a photo taken. Ron Goodwin in his first year as coordinator and his assistant Jack Eddy are hoping to change things. They want the club to be more than just a once-a-year get together. To start things off, the club elected officers. The officers for the 83-84 school year will be President—John Hartness, Vice President—Bob Case, Secretary—Michelle Harpenau, and Treasurer—Ted Plunket. This year the organization held a fund raising project. The jewelry sales brought \$600 to the club.

Chorus notes hectic schedule

The Clinton High School chorus had a productive year in performance scheduling and in money-making projects. The group appeared at a football pep assembly with a piece written for four-part speaking voices and a referee's whistle; dressed as clowns and handed out candy in the Homecoming parade; toured two grade schools, the junior high, and a nursing home; and gave two concerts—"A Christmas Collage" and "Jamboree '83." Members and officers worked at the concession stand at Homecoming, and the group sold Beich candy bars. Profits were used for a 14 pizza/dance party and T-shirts with the Jamboree '83 logo for the spring tour and concert. Their final appearance was at the 1983 Senior Baccalaureate Program.

Library Club adds many new volumes

The Library Club of Clinton High School helped with many services to the students and the teachers. Some of the services provided included vertical file clippings, microfilm, reference materials, and lots of books in many fields of interest. A great amount of work and organization is involved in keeping the library open and accessible to the students and faculty. Both Mrs. Oglesby and Mrs. Harris enjoy working with the students who use the library. A welcomed addition to the library this year was a selection of new magazines donated by Hardee's.

Mrs. Walker, the student librarian, helped Mrs. Oglesby for nine weeks.

The students enjoy the carpeted, heated, and air-conditioned library.

Jeff Russell's painting is called "The Eagle."

Art Club hosts Liaison de L'art

The Art Club busily prepared for the 4th annual Liaison de L'art workshop to be held Saturday, March 12. Four universities had agreed to host workshops for this year's event in celebration of youth art month: Eastern Illinois University, Illinois State University, Millikin University, and Western Illinois University. Workshops were offered in painting, drawing, ceramics, watercolor, batik, and a special presentation of artwork about America's favorite food the hamburger. There were slide and film presentations, a student exhibit, and an exhibit of artwork by Central Illinois art teachers. Tony Brannon designed the brochure for this year's Liaison de L'art and deserves special recognition for a job well done. Jeff Russell's painting was also shown at an earlier art show called Reflections 1983, at Illinois State University. The picture was on display from mid-March through April 8.

Art Students painted the mural that hangs in the art room.

Super Secretaries assist Santa

This year the Secretaries Club grew in membership and in activities. A few activities for the year included the following: a wiener roast, a train trip to Springfield to shop, the drawing of Secret Santas and a Christmas Tea, a dancersize demonstration, a presentation by working secretaries, an etiquette and beauty consultation, and a style show by the Outlet.

Glasson organizes student Guide Club

The Guide Club was organized in the fall of 1982. The purpose of the club is to welcome, inform, guide, and support students new to CCHS. The students have been meeting weekly at eight o'clock to organize, to learn to interview, to share with other students, and to learn additional skills needed for the above stated purpose. Students of all classes are welcome to join the club.

Cheerleaders bring home many honors

For the 1982-83 school year there was an increase in members of the freshman and sophomore cheerleading squads. This is the largest combined group of cheerleaders that C.H.S. has ever had.

The freshman attended DCA Camp in Macomb for four days, winning many ribbons for jumps, stunts, and enthusiasm. On the last day of camp, they won the award for the Most Improved Squad.

The sophomores attended ICF Camp in Champaign for five days. They received ribbons for stunts and spirit. On the last day the squad won second place over all for the camp. Margo Laramee was nominated for "Individual Extra Spirit Award."

The varsity squad went to Smith-Walbridge Camp at Champaign for six days. The squad won the spirit stick every day and many ribbons for competition. Cheryl Short won a special award for jumps. Jeannie Rickgauer was in the top five for Miss Cheerleader, and Karen Ely was one of two girls to receive First Class Cheerleader. On the last day of competition, the squad won "Best" over all at this camp.

“M” Squad completes 10th year

The “M” Squad recently completed its 10th year. Formerly the “Pepperettes,” the name “M” (for Maroons) Squad was chosen in 1978-79. Director of the squad was Mrs. Phyllis Arnold. The present director is Mrs. Marjorie Devore, who completed her sixth year at CCHS with the squad. The “M” Squad is primarily an entertainment group made up of dancers chosen in the spring of each year. Squads average 20-30 girls. Attendance is required for all home football and basketball games, and every other school activity requiring dancing.

Captains: Kathy Massey, Janelle Sams, Mrs. Devore, Katie Plunkett, and Angie Taylor.

Youth for understanding students travel to CHS

Virginia Pavez and Trine Tschudi

Youth for Understanding is a non-profit educational organization that places students in the United States and twenty-three other countries. Students involved are high school aged and are curious to learn the cultures of other countries. These students are selected by Youth for Understanding committees. The students should be able to converse in English, be in good health, and have had a good academic performance in their native country.

Virginia Pavez is from Rancagua, Chile. Virginia, a senior at Clinton Community High School, has an older brother. Prior to coming to the United

States, Virginia had never been out of her country. Vicky enjoys swimming, art, going to church, and playing basketball. Virginia was also active in an art display at Illinois State University. She stayed with Mr. and Mrs. Guarneri of Lane.

Trine Tschudi from Stabekk, Norway, was also a senior at Clinton High School. She has a younger sister. Trine had traveled to Spain before coming to the United States. She enjoys handball, drama, and cross-country and slalom skiing. Trine was also active in volleyball and the girls' track team while in the United States. Trine stayed Mr. and Mrs. Snyder of Clinton.

Seniors honor Mr. Jack Eddy

The staff of the 1982-83 *Clintonia* is proud to dedicate this yearbook to Mr. Jack Eddy. The dedication of the yearbook usually goes to an individual who displays at least a minute degree of tolerance, a touch of compassion, a pinch of understanding, and a large amount of patience. This year, of course, is no exception to this maxim.

For the five years Mr. Eddy has taught at CCHS, he has utilized his ability to combine his job with a friendly relationship with his students. The good-natured banter which flows about his room creates a relaxed atmosphere for the students. To many of these students, Mr. Eddy is a friend with whom they can joke without any of their joviality being taken the wrong way.

Many are the instances of Mr. Eddy's concern for his students. Take for example the time in 1979, when he was still teaching p.e. During a dodgeball game, an unnamed student was hit in the back four or five times in succession. After a huge blistered red spot developed on the student's back, Mr. Eddy wisely discontinued dodgeball for the remainder of the year, thus preventing further crippling of the kids. This is just one minute instance out of the enormous annals of Mr. Eddy's humanity.

Born and raised in Bloomington-Normal, Mr. Eddy attended University High. After placing fifth at the state wrestling championship his senior year, he attended I.S.U. on a grappling

scholarship. After receiving a degree in history and p.e., he landed a job here at Clinton. In addition to his teaching responsibilities, Mr. Eddy is head coach of the wrestling squad, head coach of the freshman football team, and assistant coach of the varsity football team.

The charisma which exudes

from Mr. Eddy is a great boon to his social life. Never seen in public without a beautiful girl on each arm, "the big J.D." is a perfect example of what every young man should strive for in life. Whether he is teaching or befriending a pupil, Mr. Jack Eddy is a deserving recipient of this dedication.
